

Alabama Emergency Net Zulu (AENZ) Preamble

Calling all members to the Alabama Emergency Net ZULU. This is _____, My name is _____, and I am located in _____, Alabama.

I am net control for this evening's net. This net meets weekly on Monday evenings at 7:30 pm Central Time, on the DeKalb County Radio Club's Repeater, W4DGH/R.

At this time I will break for Emergency or Priority Traffic. Any stations with emergency or priority traffic please call now.

[pause and address any traffic]

This is _____, with the Alabama Emergency net ZULU. Are there any stations with Business, Bulletins, or announcements for the net?

[pause and make a list, then call for each station to make their announcement]

This is _____, reminding everyone that this is a directed net. Please direct all traffic through net control. When checking in, please give your callsign, your name and location and say if you have traffic for the net.

Are there any mobile, portable, or short-time stations that wish to check in to tonight's net? If so, please call now.

[acknowledge stations in batches as they check in]

The roll will be called by callsign letter suffix - the letter following the number in your callsign -- beginning with A through H, Alpha through Hotel; then I through Q, India through Quebec; and then R through Z, Romeo through Zulu.

Stations with callsign suffixes beginning Alpha through Hotel wishing to check into the net, please call now.

[acknowledge stations in batches as they check in]

Stations with callsign suffixes beginning India through Quebec wishing to check into the net, please call now.

[acknowledge stations in batches as they check in]

Stations with callsign suffixes beginning Romeo through Zulu wishing to check into the net, please call now.

[acknowledge stations in batches as they check in]

This is _____, are there any other check-ins with any callsign? Call now.

[acknowledge stations in batches as they check in]

[call stations that listed traffic for the net, if any]

[Optional : ask for comments from stations in the order they checked in (excluding short-time stations or stations that indicated no comments at check-in)]

This is _____, are there any late check-ins with any callsign? Call now.

[acknowledge stations and take comments from late check-ins]

Last call for late check-ins -- please call now.

[Pause]

Can this net or net control operator do anything for anyone before I close?

[Pause]

At this time I would like to thank all of you who checked in with us tonight.
Tonight's total is _____check-ins. This is _____, closing tonight's net at
_____, Central Time, and returning the repeater to normal amateur use. 73
and good night.

**[If you call the net, please send the net manager, Ed Ringer, W4DGH, a note
with the number of check-ins and messages handled.]**
